Friends of Linden Hill, Inc.

VOLUNTEER REGISTRATION

Friends of Linden Hill, Inc. has been created to preserve and protect the living and structured history and spirit of the Musser/Weyerhaeuser homes on the Mississippi River, and to showcase these homes and their history, now and for the future.

Please circle the volunteer opportunities which you are interested in getting involved in at Linden Hill. Then fill out the lower box to help us know how often you'd like to help and so that we can connect with you. Finally, send us the completed document and we will be in touch! Feel free to call or email with questions.
